By far one of the most pleasant meetings of the season of the Fernvale Review club was that held at the home of Mrs. S. A. Douglas Wednesday when Mrs. W. H. Bumpass and Mrs. Douglas were at home to the members and friends of the organization. This was also the last meeting of the club year and there were reports given from the officers and from various committees. Plans for a new year book were discussed and a number of new names were added to the membership list. They were Mrs. J. W. Campbell, Mrs. W. E. Miller, Miss Nellie Hard and Miss Pauline Haden. This was the time for the election of officers and for the ensuing year the following were chosen:

Mrs. S. A. Douglas, president.
Mrs. Charles Leigh London, vice president.
Mrs. W. H. Bumpass, secretary.
Mrs. A. Carpenter, treasurer.

The feature of the afternoon after the business session was over was the presentation of a spoon to little Miss Fern Bumpass, a bright cheer that made its appearance into the club some four or five months ago and is its mascot and was christened "Fern" for the club. Mrs. Hard graciously presented the gift and the lady received it with the grace of a grown up and inspected it. Mrs. Bumpass responded with a few appropriate remarks.

There was progressive conversation. Ten topics were listed and you were only allowed to talk three minutes on each subject and were compelled to change partners each time. Delicious refreshments were served. Out of town guests were Mrs. Jones, Mrs. D. Carl Webb of Fort Worth and Mrs. W. P. Dunn of Fayetteville, Ark.

Mrs. Haines' dancing class is quite the rage since the closing of the schools. There are a number of little ones who are learning to trip the light fantastic equal to their seniors of many years. The younger set dance every Tuesday, Thursday and Saturday and the older ones every Monday, Wednesday and Friday. With a large class Mrs. Haines may be induced to spend the summer here.

Meeting under the legislative roof where the state solons were busily engaged each day making laws, and becoming convinced that love could be made with equal effectiveness, Dudley J. Clement of Ardmore, official reporter during the legislative session, and Miss Florence A. McGhee, also of Ardmore and committee stenographer at the legislature, brought the affair to a happy climax yesterday in Judge Zwilch's office when they were united in marriage. They will make their home in Guthrie—Oklahoman.

Miss Nora Robinson and Mr. Will Adams returned Friday from Oklahoma City, where they accompanied their friends, Miss Landrum and Mr. Fred Kinkade, who were married Thursday evening in that city. Miss Robinson and Mr. Adams were victims of many rare experiences over their return on account of the many washouts.

Mr. L. G. Shelton was a member of the bunch who accompanied the Landrum-Kinkade wedding party to Oklahoma City—and fearing to trust a fair young lady to the care of the railroad company thought best to accompany her to Kansas City—as we have not seen Mr. Shelton since there is a possibility that he has taken the Agave route as did Mr. Kinkade the L-Union route.

Judge and Mrs. John Galt leave today for Birmingham to attend the Confederate reunion.

A come and go reception which has put society in a flutter is that which will be given by Mrs. D. E. Allen on next Friday afternoon complimentary to Mrs. S. T. Hedges, and Mrs. William Baker, the former leaving in July for Guthrie, where she will reside in the future and the latter to Oklahoma City to live. These ladies have been prominent figures in the social world for many years both being members of the Ladies of the Leaf and also belonging to the quartet of that organization, a bunch of musicians which has a state reputation, having added many interesting voice numbers to the state programs of the Federation of Women's clubs.

A merry bunch of maids and matrons met at the Elks Club Thursday and organized a German. They will meet every Thursday, the time set by the Antlered herd for the ladies to meet at their home for a social afternoon—either in conversation, at cards, or dancing. There was a large crowd present and something over forty names were added to the membership list.

Miss Bennie Riggins was elected secretary and ten cents will be collected from each member every meeting this will go toward open entertaining during the season. As there are a number who do not dance,

forty-two will also be a feature of the gatherings.

Those who enlisted their names to the "German Red" were Misses Vera Olive, Floy Alvin, Lillian McNeese, Iona Stewart, Sue Frame, Jennie Williams, Valley Southernland, Lila Stansel, Floy Mullens, Lena Gardenhire, Carnes Addington, Langley, We de, Riggins, Nita Williams, Phillips, Hatt, Lenore Datt, Clara Tate, Emily Lowden, Ella Glenn and Marie Glimmer; Mesdames Bert Foster, Val Mullens, Farmer Cadel, Barney Fongson, N. C. Woods, Roy Lewis, Frank Bonner, J. D. Treadwell, Newcomb, J. A. McNaught, Wm. Pfeiffer, W. C. Dean, John Nichols, Lewis and Hancock.

"Farewell! A word that must and has been spoken, A sound that wakes us longer— Yes, Farewell!"

The Ladies of the Leaf held their last meeting of the year Monday afternoon with Mrs. Charles Anderson, notwithstanding the rain and the mud, roll call was responded to by a large number of faithful members who braved the elements to attend the last meeting of their club. The piano duet a recitation by Beethoven's Fifth Symphony by Mesdames Wail and McCoy was one of the most enjoyable musical numbers of the entire year. The president's report by Mrs. Wail was graceful and full of most able suggestions for the advancement of the club for next year. Mrs. Wail has so splendidly filled the president's chair this year her club friends refused to accept any unfavorable answer from her and unanimously elected her again for next year. The corresponding secretary, Mrs. Teer, told of the work and presented a splendid report. The recording secretary, Mrs. Alexander, told of the attendance and of the fines that were necessary to collect; the work of the club in assisting charities and the good it had done during the past year. The treasurer, Mrs. Goodrich, gave a detailed report of the financial affairs of the club, and after the reading, both assets and liabilities, it was learned that there is a neat little sum in the treasury ready for next year. The parliamentarian's report, Mrs. Turner was brief and to the point. The club is fortunate in retaining Mrs. Turner as parliamentarian for next year as she has all the rules and regulations at her finger tips, and in addition possesses the tact and deserving judgment necessary for such an officer.

The critic's report, by Mrs. Harold Wallace, was a reflection of the entire year's work, its officers, committees, members, and courses of study. After an interesting business hour in which many details for the coming year were settled, the club adjourned to meet again in October.

We are in receipt of the following letter from Mrs. Zoe J. Woods, president of the Indian Territory Division of the Daughters of the Confederacy:

To the United Daughters of the Confederacy:

With an earnest desire to promote the speedy erection of the Arlington Confederate monument to be placed in the Arlington National Cemetery, your president is again urging the active interest of the Divisions and the Chapters, toward this end.

We owe this, not only to our valiant dead now sleeping on the spot made sacred, as the home of Robert E. Lee, but we also owe it to the government, which, by placing these, our precious soldiers, in the National Cemetery, declare that they are brothers and their valor to a National heritage. Let us, then, show our love and reverence for the memory of their service, by placing there the shaft that will speak to all future generations of their sacrifice, untold at the cause which they defended, and the memory of which we are pledged to protect and preserve.

This work of the General Association is asked, with a full realization that each Division, each Chapter is, or should be, enlisted in some special work along the lines of the purposes.

Do You Digest What You Eat?

It is one thing to eat and quite another to digest the food. Many people can't do the latter and suffer for years from indigestion without really knowing what is the matter with them. They just know that their "stomach is out of order."

But the most important thing, after all, is to know what is the matter, for then it is easy enough to know what to do. If the advice of thousands of people is convincing to you then we say take Dr. Caldwell's Syrup Pepsin. If you have any digestive trouble, as it name indicates, it is for just that very ailment and that it cures is proven by lines of voluntary testimonials in our office. More direct and personal proof can be obtained by going to your nearest druggist and buying a 50 cent or \$1 bottle. Take it and you will be well; better still, results are guaranteed, so you risk nothing.

Not George C. Rusk, formerly of Memphis, Ill., and now residing at Washington, D. C., where he holds a high position with the Government, is a warm friend of Dr. Caldwell's Syrup Pepsin. He found it an invaluable tonic and an aid to impaired stomach and digestive powers. He says that he finds it promotes health and happiness, and recommends that it be in every household.

There is, in truth, no better family laxative than Dr. Caldwell's Syrup Pepsin. Its gentle and effective action and pleasant taste recommend it especially to weak stomachs, children, women and old people. It is equally good for the most robust who become constipated or suffer from indigestion, sour stomach, biliousness and other stomach, liver and bowel ailments, because results are sure and permanent. It is a reliable laxative and ever so good for the most delicate of a family to better health.

FREE TEST Those wishing to try Dr. Caldwell's Syrup Pepsin before buying can have a free sample bottle sent to their home by addressing the company. This offer is to give the remedy to be as we claim, and is only open to those who have never taken it. Send for it if you have any digestive trouble, as it name indicates, it is for just that very ailment and that it cures is proven by lines of voluntary testimonials in our office. More direct and personal proof can be obtained by going to your nearest druggist and buying a 50 cent or \$1 bottle. Take it and you will be well; better still, results are guaranteed, so you risk nothing.

of the United Daughters of the Confederacy, but the erection of this monument is an imperative duty. In our organization now there are nearly twelve hundred Chapters, and if each will contribute to this fund, a substantial result may be had.

It is gratifying to note that, where ever we have organizations, there is great and active interest manifested in the celebration of the one hundred anniversary of the birth of our beloved Chief, Jefferson Davis, inspiring a close study of the Confederate States. In the schools to the United States and to the Confederate States. In the schools this has been stimulated by the offer of prizes for the best essays on this subject, and this year, 1908, will be made a memorable Centennial of the birth of this great soldier, scholar, statesman and Christian gentleman.

The reunion of our dear veterans will take place in Birmingham, June 9th, 10th and 11th, and many of the "Daughters" will attend, with assurances of abiding love and reverence for these heroes, defenders of constitutional liberty, whose devoted service is never forgotten, and it will be a loving privilege to meet them again in general convention.

The memory of General Lee fills the world, for he has been placed by high authority, in the list of five of the world's greatest generals and commanders. We honor ourselves in honoring him, and let us place the pictures of Davis and Lee where the boys and girls of our land will learn of the nobility of character and service of these great chieftains.

The recording secretary general, Mrs. Dewell, notifies you that there are still about five hundred copies of the proceedings of the Norfolk convention in her hands, and that by sending the amount of postage for mailing, which is also cents per copy, it is not necessary to say to you that this report should be read by every daughter of the Confederacy, for it puts you in intelligent touch with what is being accomplished wherever we are organized.

Again your faithful cooperation is asked in the preservation of that that glorifies our history.

CORNELIA BRANCH STONE,
President General U. D. C.

Telegraph Service.
During the floods, there appears to be a lack of confidence in the telegraph service. With the exception of Tuesday and Wednesday, May 26 and 27, our service has been absolutely normal, although badly handicapped by each succeeding rise of waters.

We have a force of 25 men stationed at points of trouble and every precaution necessary to keep a "live" wire has been made. We are in good shape at Red river, and the waters would have to be much worse than heretofore to put us out of commission. If we cannot handle your business promptly and give you usual service, we will so inform you when you file your telegrams.

No Humbug.
No humbug claims have to be made for Foley's Honey and Tar, this well known remedy for coughs, colds and lung troubles. The fact that more bottles of Foley's Honey and Tar are used than of any other cough remedy is the best testimonial of its great merit. Why then risk taking some unknown preparation when Foley's Honey and Tar costs you no more and is safe and sure. Sold by all druggists. d&w
